

# Christmas Movie Lines

Object: Can you name the holiday film that the movie line is from?

1. "It means: If you put on the suit, you're the big guy."
2. "Found this on the seat of my sleigh. Better fix that hole in your pocket. –Mr. C."
3. "If you're really Santa Claus then you can get it for me. And if you can't you're only a nice man with a white beard like Mother says."
4. "Surprised Eddie? If I woke up tomorrow with my head sewn to the carpet, I wouldn't be any more surprised than I am right now."
5. "I got a Turbo Man for Johnny months ago. It's nestled safely under our tree."
6. "Fra-GEE-LEE. That must be Italian."
7. "When what's left of you gets around to what's left to be gotten, what's left to be gotten won't be worth getting whatever it is you've got left."
8. "You stink. You smell like beef and cheese! You don't smell like Santa."
9. "You want the moon? Just say the word and I'll throw a lasso around it and pull it down. Hey. That's a pretty good idea. I'll give you the moon, Mary."
10. "There is never enough time to do or say all the things that we would wish. The thing is to try to do as much as you can in the time that you have."
11. "No, Zero. Down, boy... My, what a brilliant nose you have. The better to light my way! You're the head of the team, Zero!"
12. "This is \*Christmas\*. The season of perpetual hope. And I don't care if I have to get out on your runway and hitchhike. If it costs me everything I own, if I have to sell my soul to the devil himself, I am going to get home to my son."
13. "Beautiful Aurelia, I've come here with a view of asking you to marriage me. I know I seems an insane person - because I hardly knows you - but sometimes things are so transparency, they don't need evidential proof. And I will inhabit here, or you can inhabit with me in England."
14. "If you need this, Jack, if you really need this, I will take these kids from a life they love and I'll take myself from the only home we've ever shared together and I'll move wherever you need to go. I'll do that because I love you. I love you, and that's more important to me than our address. I choose us."
15. "My childhood was like the Shawshank Redemption, except I didn't have some old, warm, black man to share my story with!"
16. "You're gonna get hooked on that thing. I can see it now. Sixteen thousand bags of Cheetos later, you'll wake up, you're thirty-five, you're overweight, you're crying about your life in front of the soaps."
17. "Maybe Christmas doesn't come from a store. Maybe Christmas... he thought.... Means a little bit more."
18. "He's Mister White Christmas, he's Mister Snow. He's Mr. Icicle, he's Mister 10 below. He's Mister Green Christmas. He's Mister Sun. He's Mister Heat Blister. He's Mister Hundred-and-One."
19. "You're going to stay with me and we'll all be rich with the biggest silver strike this side of Hudson Bay. Silverrrrrrr!"
20. "A snowdad is better than no dad."
